

Scholarship Application

Thank you for your interest in the Kalamazoo Children's Chorus. Because we believe the opportunity to enjoy the benefits of participating in the Children's Chorus should be open to all children, we are happy to offer scholarships to deserving children. We are also open to alternative payment schedules, if the normal payment schedule is a problem.

While KCC does offer one merit scholarship each year, scholarships are primarily awarded on the basis of need. To make scholarships available to as many children as possible, we generally do not award full scholarships. We ask that scholarship applicants contribute what they can towards tuition and only ask for what they truly need to make KCC affordable.

Your scholarship application will be handled with complete confidentiality; the members of the scholarship committee will not know the names of the applicant. We will give all applications serious consideration. In return, we hope you will take your commitment to KCC just as seriously.

Please fill out both pages of the enclosed scholarship application form and return them to:

Kalamazoo Children's Chorus
PO Box 50414
Kalamazoo, MI 49005

Scholarship applications for returning members are due no later than **May 1st**

Scholarship applications for new members are due no later than **June 1st**

Scholarship requests will be granted in late June
