

Kalamazoo Children's Chorus:
Returning Member Scholarship Application

Page 1 Due April 9th

The Kalamazoo Children's Chorus (KCC) has been enriching the artistic life of the community since 1980 with outstanding performance designed to reach diverse communities and audiences. In all these years, KCC has maintained a firm belief that all children should be allowed to sing regardless of finances. To this end, KCC will never turned away a child for financial reasons.

Alternative payment option: We would like to offer you the option of paying your tuition over the entire season, \$75/month, with the final payment no later than December 1st. You may use this option instead of a scholarship, or in conjunction with a scholarship. ***Tuition fees are based on choir assignment: Prep \$475, Treble \$475, Bella Voce \$525, Touring \$525.***

By checking this box, you understand that you can pay your portion of tuition on a monthly basis. Payments are due on the first of every month starting July 1. You further understand and agree that your portion of tuition must be paid in full by Dec. 1 (unless other arrangements have been determined) in order for your child to participate in KCC. **As part of my child's scholarship, I agree that I, or a member of my family, will provide five (5) or more hours of volunteer service to KCC to help with organizational needs such as usher at concerts, help with uniform fittings, auditions, chaperone for an event, man an information booth, or help in other ways as the need arises.**

Help us wisely allocate scholarship funds by briefly telling us why you need it. Please do not identify your child in the narrative.
