Kalamazoo Children's Chorus

Dear Friends,

Kalamazoo Children's Chorus, celebrating community through song.

The Kalamazoo Children's Chorus is a 501 (c) (3) non-profit community choral organization geared toward 3rd-12th grade students that was formed in 1980. Since that time, it has been the mission of the Kalamazoo Children's Chorus to celebrate and inspire community through song, while engaging every child's potential for musical excellence.

The Kalamazoo Children's Chorus seeks to create a space where our differences are embraced and where all who enter belong. Through high quality musical experiences, we believe that our young people will expand their understanding of the world while also discovering the potential of their own artistic abilities. We recognize that choral singing is a vital thread in the fabric of our community, and our young people's voices are the ones who will be heard to tell the story for generations to come.

We would like to present you with the opportunity to help underwrite the cost of our concert programs that are distributed at one or all of Kalamazoo Children's Chorus concerts. In thanks for your contribution, we would recognize your business' logo in the concert program and list you as an underwriter for the performance, additionally we would include you as an Arts Sponsor on our website: www.kalamazoochildrenschorus.org

Thank you for supporting the Arts in our community!
